* Effective October 1, 2025, Sony Group Corporation executed a partial spin-off of Sony Financial Group Inc. ("SFGI"), a formerly wholly-owned subsidiary which operates the Financial Services business (the "Spin-off"). As a result of the resolution of Sony Group Corporation's Board of Directors on May 14, 2025 on a plan for the execution of the Spin-off, the Financial Services business has been classified as a discontinued operation and presented separately from continuing operations, comprised of Sony's businesses excluding the Financial Services business, from the three months ended June 30, 2025, in accordance with IFRS Accounting Standards. Therefore, the above figures for net income, net income attributable to Sony Group Corporation's stockholders, total comprehensive income, basic earnings per share and diluted earnings per share for the six months ended September 30, 2025 represent the results for continuing operations. The year-on-year percentage changes of net income, net income attributable to Sony Group Corporation's stockholders and total comprehensive income for the six months ended September 30, 2026 are calculated using the figures for continuing operations for the six months ended September 30, 2025. As net income (loss) from discontinued operations was not recorded in the six months ended September 30, 2026, there is no difference

between the figures for continuing operations and the consolidated figures for the six months ended September 30, 2026. For details of discontinued operations, please refer to “Notes to Condensed Semi-annual Consolidated Financial Statements - Accounting Policy and Other Information (Discontinued operations)” on page 19 of the Appendix.

However, the above dividends for the fiscal year ended March 31, 2026 do not include such dividends in kind.

Accounting Policy and Other Information

(Changes in accounting policies)

Sony newly adopted the following accounting standards from the fiscal year ending March 31, 2027:

Amendments to IFRS 9 "Financial Instruments" and IFRS 7 "Financial Instruments: Disclosures"

In May 2024, the International Accounting Standards Board (IASB) issued "Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7)." These amendments relate to clarifications on the classification of financial assets and the derecognition of financial liabilities, as well as disclosures for equity instruments designated at fair value through other comprehensive income, among other matters. Sony has applied these amended standards since April 1, 2026. The adoption of these standards does not have a material impact on Sony's results of operations and financial position.

(Segmentation)

The G&NS segment includes the production and sales of digital software and add-on content, the network services businesses and the manufacture and sales of home gaming products. The Music segment includes the Recorded Music, Music Publishing and Visual Media and Platform businesses. The Pictures segment includes the Motion Pictures, Television Productions and Media Networks businesses. The ET&S segment includes the Imaging business, the Sound business, the Network Services business and the Displays business. The I&SS segment includes the image sensors business. All Other consists of various operating activities, including the disc manufacturing and recording media businesses. Sony's products and services are generally unique to a single operating segment.

(Supplemental cash flow information)

On July 15, 2026, a consolidated subsidiary of Sony in the Music segment completed the acquisition of 100% of the equity interests in a company that owns certain music assets and other assets. Sony consolidated the company and the acquisition was accounted for as an acquisition of a group of assets that does not constitute a business. The total cash consideration for the transaction was 256,381 million yen, of which 239,866 million yen, after deducting cash and cash equivalents held by the company, was reflected in cash flows from investing activities as "Payments for purchases of businesses and other." As a result of the transaction, Sony recognized 542,652 million yen of content assets (music catalogs) and 308,721 million yen of long-term debt secured by those assets. In addition, as part of the transaction, Sony received a cash contribution from a third party and recognized 66,302 million yen of non-controlling interests.

(Significant changes in the scope of consolidation and the scope of equity method application during the period)

Upon the conclusion of the Annual General Meeting of Shareholders of Sony Financial Group Inc. ("SFGI") held on June 25, 2026, after considering factors including the composition of the board of directors of SFGI, Sony Group Corporation concluded that it no longer had significant influence over SFGI. Accordingly, during the first quarter of the fiscal year ending March 31, 2027, SFGI was excluded from the scope of equity method application, and the common stock of SFGI ("SFGI share(s)") was reclassified from an investment in an associate to an equity instrument measured at fair value through other comprehensive income. The gain or loss resulting from the exclusion of SFGI from the scope of equity method application is not material.

(Discontinued operations)

At a meeting of Sony Group Corporation's Board of Directors held on May 14, 2025, Sony Group Corporation resolved the plan regarding the execution of a partial spin-off (the "Spin-off") of SFGI. Consequently, Sony Group Corporation determined that the distribution of SFGI shares was highly probable and the Financial Services business was classified as a discontinued operation, in accordance with IFRS 5 "Non-current Assets Held for Sale and Discontinued Operations," during the first quarter of the fiscal year ended March 31, 2026. As a result, from the first quarter of the fiscal year ended March 31, 2026, in the condensed quarterly consolidated statements of income, condensed semi-annual consolidated statements of income, condensed quarterly consolidated statements of comprehensive income, condensed semi-annual consolidated statements of comprehensive income and condensed semi-annual consolidated statements of cash flows; revenue, expenses, other comprehensive income and cash flows of the Financial Services business, among other items, are separated from continuing operations, comprised of Sony's businesses excluding the Financial Services business, and presented as net income from discontinued operations, other comprehensive income from discontinued operations, and net cash from discontinued operations, respectively.

Subsequently, Sony Group Corporation executed the Spin-off effective October 1, 2025.
